Changing Children's Lives in Mexico!

*10% of all profits support the children at Casa Hogar Orphanage*

## **A Message from the Owner: PremierPaintballGuns.com**

Here at PremierPaintballGuns.com, we pride ourselves in working hard to bring you the best paintball and airsoft guns on the market today. We are strictly a website company and have no retail stores. This allows us to give you the best prices on the market. If we do not have what you are looking for, please contact us at [Support@PremierPaintballGuns.com](mailto:Support@PremierPaintballGuns.com) and we will work hard to find it for you at the best price. Our ultimate goal is to use this business as a means to change lives. After spending a year living and working at Casa Hogar orphanage in Acapulco, my wife and I became very passionate about helping support children who have been given a second chance at life. We are committed to giving 10% of all profits to the orphanage, and hope to increase our giving each year as our business grows.

## **About Casa Hogar**

Casa Hogar del Acapulco is located in the beautiful vacation destination of Acapulco, Mexico. Many people travel there, yet never see the "real" Acapulco. A large number of children in Mexico do not attend school, but are sent to the streets daily to beg for money in order to help support their families. In fact, many of these children eventually begin living on the streets and lack the love and provision a family provides. Casa Hogar is a second chance for many of these kids. At the orphanage, children are able to attend school & church, play sports, and develop healthy relationships. If you are interested in supporting a child please contact us at [CasaHogar@PremierPaintballGuns.com](mailto:CasaHogar@PremierPaintballGuns.com). Thanks so much! -Jeff Flannery -Owner
